A dedicated and results-driven Software Developer with experience in mobile application development using React Native and web development using React and Next.js. Skilled in designing, building, and deploying cross-platform applications for Android and iOS. Passionate about delivering high-quality solutions, developing user-centered interfaces and experiences for mobile and web applications, and continuously advancing technical skills.

Work Experience

Junior Software Developer @ FlowerStore.ph
JUN 2023 - PRESENT

- Design, develop and maintain cross-platform mobile applications using React Native for the following e-commerce applications: FlowerStore, Potico, SuperApp, and Seller Center.
- Collaborate with QA testers, tech leads, and backend developers to deliver high-quality applications and features within project timelines.
- Contribute to website development using Next.js, including components for FlowerStore and Rider Web platforms.
- Integrate RESTful APIs and third-party libraries for seamless app functionality and performance.
- Integrated Facebook SDK to track purchase events, providing the marketing team with key metrics for optimizing campaigns.
- Manage deployment and version updates for Google Play (Internal testing and Production) and the Apple App Store (TestFlight and Production).

Mobile Developer Intern @ FlowerStore.ph
MAR 2023 - MAY 2023

- Contributed to the development of user-friendly interfaces by designing screens, wireframes, and prototypes.
- Provided support in bug fixing under the guidance of mid-level developers.

QA Intern @ Chase Technologies Corporation
FEB 2019 - AUG 2019

- Conducted manual testing to ensure systems were functioning properly while providing technical assistance to client teams in resolving system issues.

Technical Skills

React Native ● Next.js ● React ● Javascript ● Typescript ● Express.js (Node.js) ● TailwindCSS ● HTML, CSS ● Firebase (Cloud Messaging, Analytics, Crashlytics & A/B Testing)● XCode ● App Deployment (App Store Connect and Google Play Console) ● Git ● Github ● Figma ● UI & UX Design ● Wireframe ● Prototyping

Key Competencies

- Attention to detail and problem-solving skills.
- Effective collaboration and communication between cross-functional teams.
- Time management and leadership skills.

Project Portfolio

lorrainedeoduco.vercel.app
